**GLOBALG.A.P.**  
The Global Partnership for  
Safe & Sustainable  
Agriculture

## GLOBALG.A.P. CERTIFICATION WORLDWIDE

**40+** standards and programs,  
**200,000+** producers under  
certification in **136** countries,  
**44** National Technical Working  
Groups, **42** accreditation bodies,  
**160** certification bodies,  
**1,200+** inspectors, **800+** auditors

**“GLOBALG.A.P. Certification has created employment, and small-scale farmers are ensured their revenues. This is real development in real-time.”**

Festus Nkuru, Outgrower Manager at Africado,  
Small-Scale Farmer Representative

Anecoop

“Cooperatives such as ours are essential for smallholders to access the world’s markets. GLOBALG.A.P. producer group certification helps us support our small growers improve their processes and reach their goals.”

Mari Carmen Morales Abad,  
Anecoop S. Coop, Spain

**“As a retailer sourcing from 50+ countries worldwide, our first priority is getting safe food for our customers. GLOBALG.A.P. is a great standard because it means we can have confidence from where we buy. It’s also a great standard for farmers because they can have one standard for all their customers. And it’s a really efficient way to do business.”**

Hugh Mowat  
Head of Technical - Produce  
Wm Morrisons Supermarkets plc, UK

GLOBALG.A.P. MEMBERSHIP  
Shaping the Future Together

**JOIN US TODAY AND BE PART OF THE  
GLOBAL PARTNERSHIP FOR SAFE &  
SUSTAINABLE AGRICULTURE!**

## GLOBALG.A.P. MEMBERSHIP

GLOBALG.A.P. is a member-driven organization. Our members play a key role in initiating many of our programs and projects.

Our global network of members help us connect producers and suppliers, improve GLOBALG.A.P. certification, create a benchmarking framework, and promote awareness for safe food production and sustainable resource management.

## SOME OF YOUR GLOBALG.A.P. MEMBERSHIP BENEFITS

- 1 Close involvement in the continuous improvement and shaping of the GLOBALG.A.P. Standard and Benchmarking.
- 2 We promote your story, achievements and developments in our newsletters and on our website.
- 3 All trading members get free access to the GLOBALG.A.P. Database and all its tools.

- 4 Partner with GLOBALG.A.P. and organize G.A.P. events in your country and region!
- 5 Permission to add the GLOBALG.A.P. logo to all your publications and promotional material, B2B communication and your website.

## Our Retailer/Food Service Members

Join our global alliance of major industry players to develop innovative solutions and strategies for a better future.

### LONG-TERM MEMBERS (10+ YEARS)

### MEMBERS

**“If you want to achieve something you have to be part of the discussion. And you can only do that as a GLOBALG.A.P. member. You take on responsibility and help shape the standard. And by doing so, you’re doing something good for the future.”**

Horst Lang  
Head of QA & Environment, Globus, Germany

**“GLOBALG.A.P. Membership provides a valuable platform for retailers and producers to work together and find solutions that serve both needs. It’s an important role to play and we encourage other retailers to become part of the debate.”**

Leon Mol, Director of Product Safety and Social Compliance, Ahold Delhaize, The Netherlands

**IPL**

International  
Produce Ltd

**“Retailers can’t really shape the future of Good Agricultural Practice unless they are part of the debate. GLOBALG.A.P. Membership provides a very healthy collaboration between the producers and the retailers.”**

Jim Jefcoate, Senior Director - International Up-streaming at  
International Procurement and Logistics Ltd. (IPL Ltd.), UK

**“We decided to work with students as well because it’s a lot easier to instill Good Agricultural Practices in young people rather than change the habits and cultures of older people”**

Manal Saleh, BlueMoon, Egypt  
Silver Farm Assurer, Farm Assurer ID# 110234

**Learn more at [www.farmassurer.org](http://www.farmassurer.org)**

**“My passion lies in making sure that these farmers stay in business and that family farms can continue. We try to make it an accessible system so that they can get certified and become competitive on the world market.”**

Keith Heinrichs, Guardian Harvest, Inc.  
United States of America  
Silver Farm Assurer,  
Farm Assurer ID# 110123

**Learn more at [www.farmassurer.org](http://www.farmassurer.org)**

**“A quality system is not just a paper,  
it’s living your own farm. And the proper  
organization, implementation, and  
documentation will help you get better  
commercial and financial results for  
your business.”**

Stephan Imbery, AgroChon, Austria  
Silver Farm Assurer, Farm Assurer ID# 130106

**Learn more at [www.farmassurer.org](http://www.farmassurer.org)**

**“It is fascinating how things change on a farm after every visit. I feel very proud when the farmers tell me that they feel more organized and see how the positive changes have affected their businesses.**

Cristina Andreea Văsii,  
Stoian Land Cooperativa Agricola, Romania  
Farm Assurer ID# 170749

# GLOBALG.A.P. CAPACITY BUILDING PROJECTS

## PROGRAM FOR LOCAL SELF-GOVERNMENT AND ECONOMIC DEVELOPMENT IN BOSNIA AND HERZEGOVINA (2018)

**Partner:** EU ProLocal/Deutsche Gesellschaft  
für Internationale Zusammenarbeit (GIZ)

**Objective:** Improve competitiveness of small  
and medium-sized enterprises in the  
agribusiness sector by increasing local  
capacities and supporting networking of  
different actors.

# GLOBALG.A.P. CAPACITY BUILDING PROJECTS

## PROGRAM FOR LOCAL SELF-GOVERNMENT AND ECONOMIC DEVELOPMENT IN BOSNIA AND HERZEGOVINA (2018)

**“Good Agricultural Practices open the doors to international markets and help find strategic partners, which leads to an increase in the volume of production and thus the creation of new jobs.”**

Brigitte Heuel-Rolf, Director of GIZ for  
BiH and Montenegro, 2018

# GLOBALG.A.P. CAPACITY BUILDING PROJECTS

## TRADE FACILITATION CENTRAL ASIA (2018)

**Partner:** Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ)

**Objective:** Improve competitiveness and easy access of horticultural products from Central Asia to international markets through development of GLOBALG.A.P. services affordable for local producers and available across the region.

# GLOBALG.A.P. CAPACITY BUILDING PROJECTS

## CAPACITY BUILDING IN THE AGRICULTURAL SECTOR IN A NUMBER OF EASTERN EUROPEAN COUNTRIES.

**Partner:** IFC, a member of the World Bank Group

**“As a result of this cooperation, more than 250 professional consultants and farmers have been trained since 2012.”**

Sarah Ockman  
Global Lead, IFC Food Safety Advisory, 2016
